

As of May 13 2011, Sun Chlorella Will Be Available at GNC's Paramus, NJ Location As Well As GNC Online

Torrance, CA, May 13, 2011- Sun Chlorella USA, known as "Nature's Perfect Superfood®", proudly announces its expansion into GNC stores in the Paramus, NJ location as well as GNC online with distribution of Sun Chlorella 200mg tablets. The nutritional health benefits of Sun Chlorella can help anyone looking to commit to a healthy lifestyle beginning from the inside out.

GNC sets the standard in the nutritional supplement industry by demanding truth in labeling, ingredient safety and product potency, all while remaining on the cutting-edge of nutritional science. GNC is the world's largest company of its kind devoted exclusively to helping its customers improve the quality of their lives. From scientific research and new product discovery to the manufacturing and packaging processes, GNC takes pride in its rigorous approach to ensuring quality. Sun Chlorella is the newest addition to GNC's Living Well commitment.

Sun Chlorella is a whole food derived from a lineage of pure green algae that has existed naturally on earth for thousands of years. As Mother Earth's own Superfood, the powerful combination of nutrients works naturally with your body to nurture your health from within. Sun Chlorella contains key vitamins and antioxidants and 18 essential amino acids all proven to contribute to a healthy digestive system while energizing and reinvigorating the body.

Sun Chlorella is packed with naturally occurring key vitamins and antioxidants in addition to chlorophyll, protein, vitamin C, folic acid, dietary fiber and a number of other essential nutrients that makes it "Nature's Perfect Superfood®". Taking one serving of Sun Chlorella daily is equivalent to one serving of fresh green vegetables.
